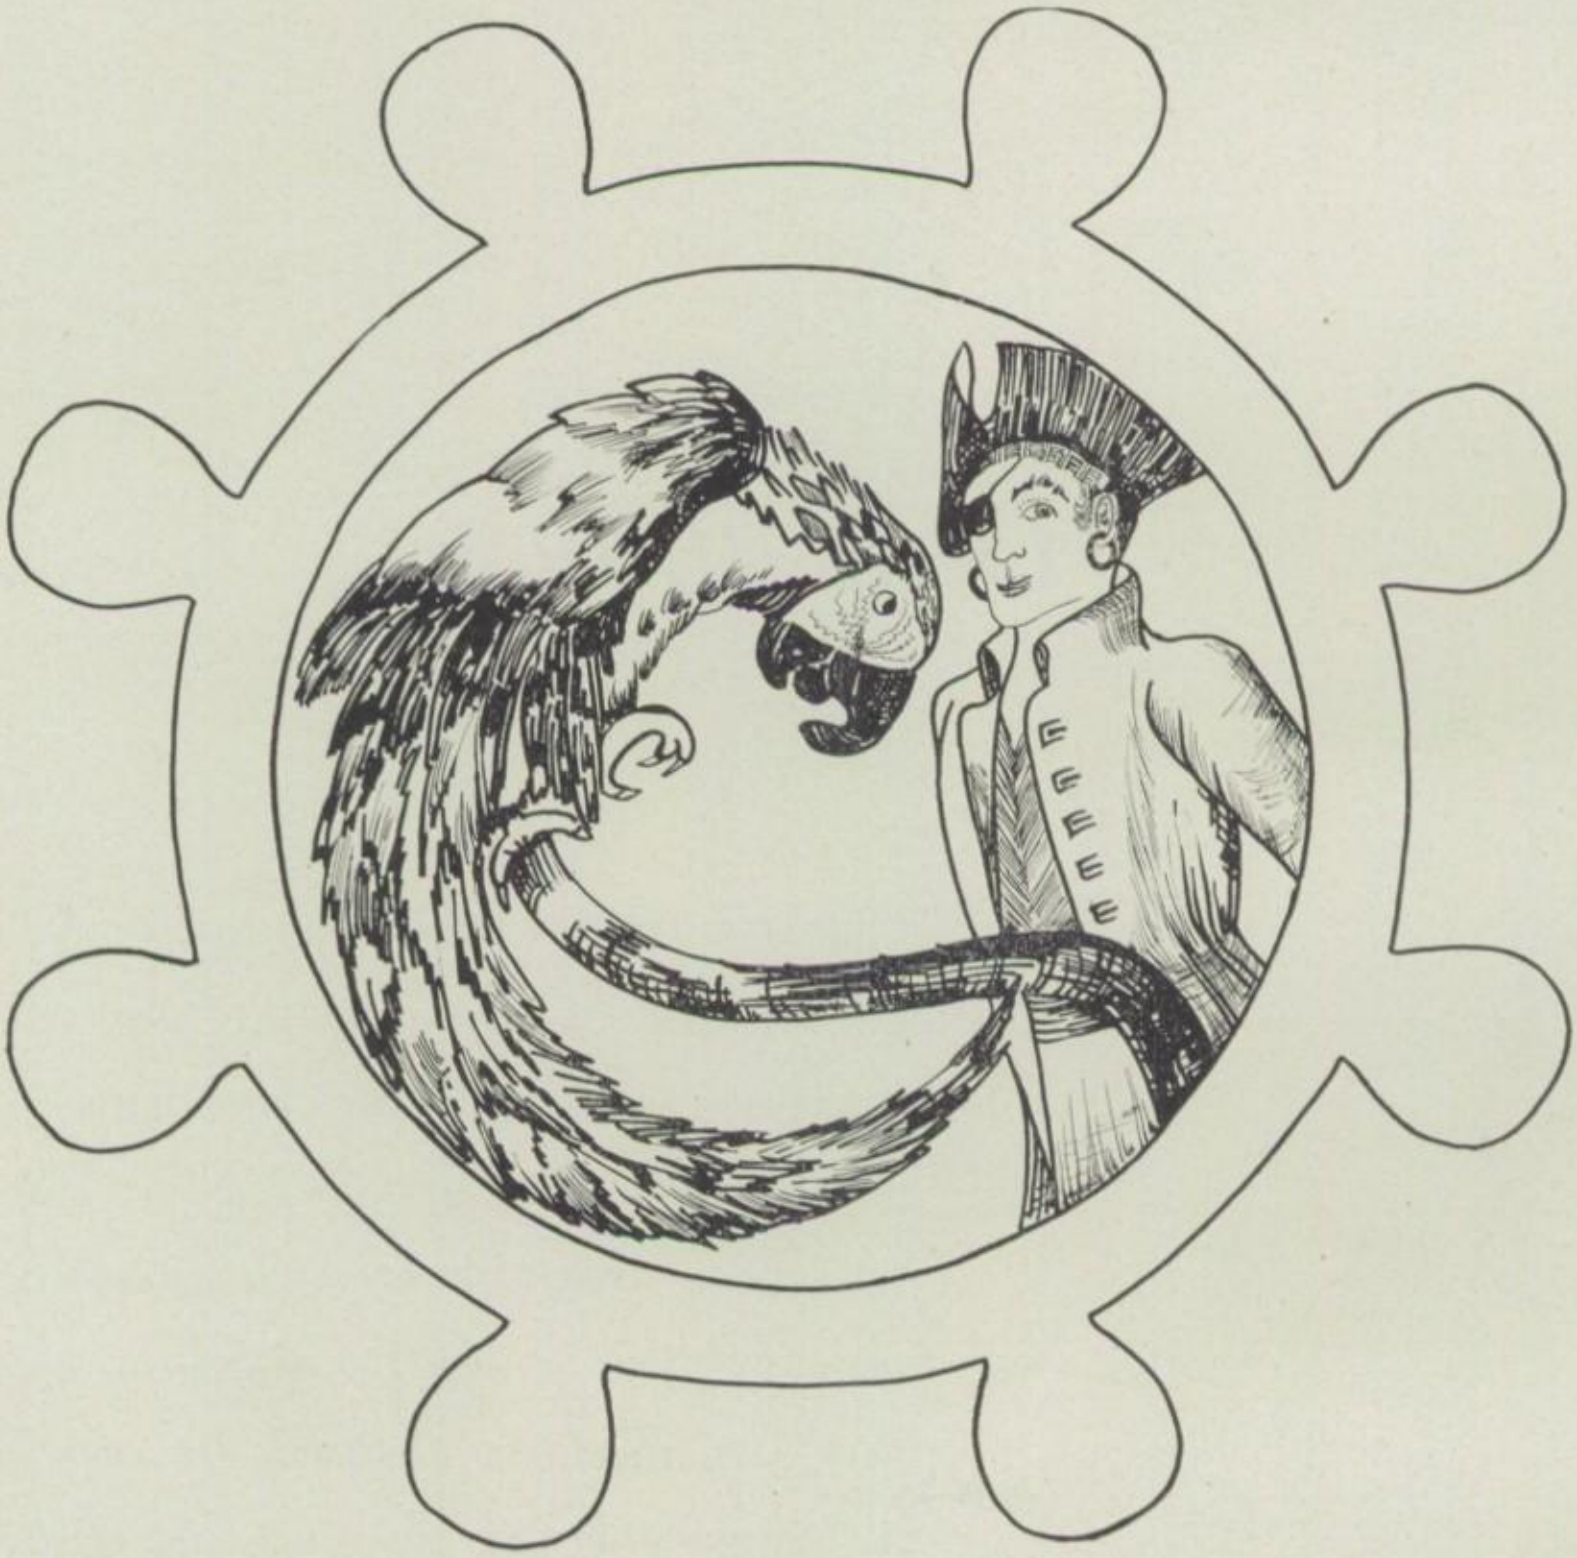
Foreword



We have chosen "THE BUCCANEER" for the title of our annual because the symbol of our school is the Buccaneer. We have tried to blend school activities into the setting of the days of the romantic pirates. As you turn the pages of the book, imagine yourself in the hold of an ancient galley with Captain Kidd as your guide.

Dedication . . . .

BECAUSE OF HER OUTSTANDING WORK AS AN ADVISER OF THE ANNUAL, WE TAKE GREAT PLEASURE IN DEDICATING THIS 1945 EDITION OF *"THE BUCCANEER"* TO MISS GERALDINE DYKHUIZEN. HER SPARKLING VITALITY AND CHEERFUL MANNER HAVE WON FOR HER THE POSITION OF ONE OF THE MOST POPULAR TEACHERS IN GRAND HAVEN HIGH SCHOOL.

MISS GERALDINE DYKHUIZEN

Administration

With Captain Earl Babcock at the helm, assisted by 1st Mate Glenn H. Olson and a crew of worthy seamen, we dropped anchor after a smooth voyage.

TO THE STUDENT BODY:

Our nation's greatest resources are not found in its streams, mountains, mines, or fertile soil, but in the youth of the land. This nation needs young men and women with trained minds — minds that can think through the problems confronting a world longing for peace and security. You have a responsibility, too, so prepare yourselves that you can accept this challenge.

Sincerely yours,

EARL H. BABCOCK,

Superintendent.

TO THE SENIOR CLASS OF 1945:

Since December 7, 1941, the United States has been at war. You were freshmen then. Today when you leave high school some of you will take your place in the Armed Forces of our country and some, your place, in the production lines to help finish the job. The conclusion of the war does appear to be on the horizon, and with it comes the problems of peace. I believe you can make no greater contribution as a citizen of the United States than to take an active interest in studying and promoting an understanding of the forces needed for an enduring peace.

Sincerely yours,

GLENN H. OLSEN,

Principal.

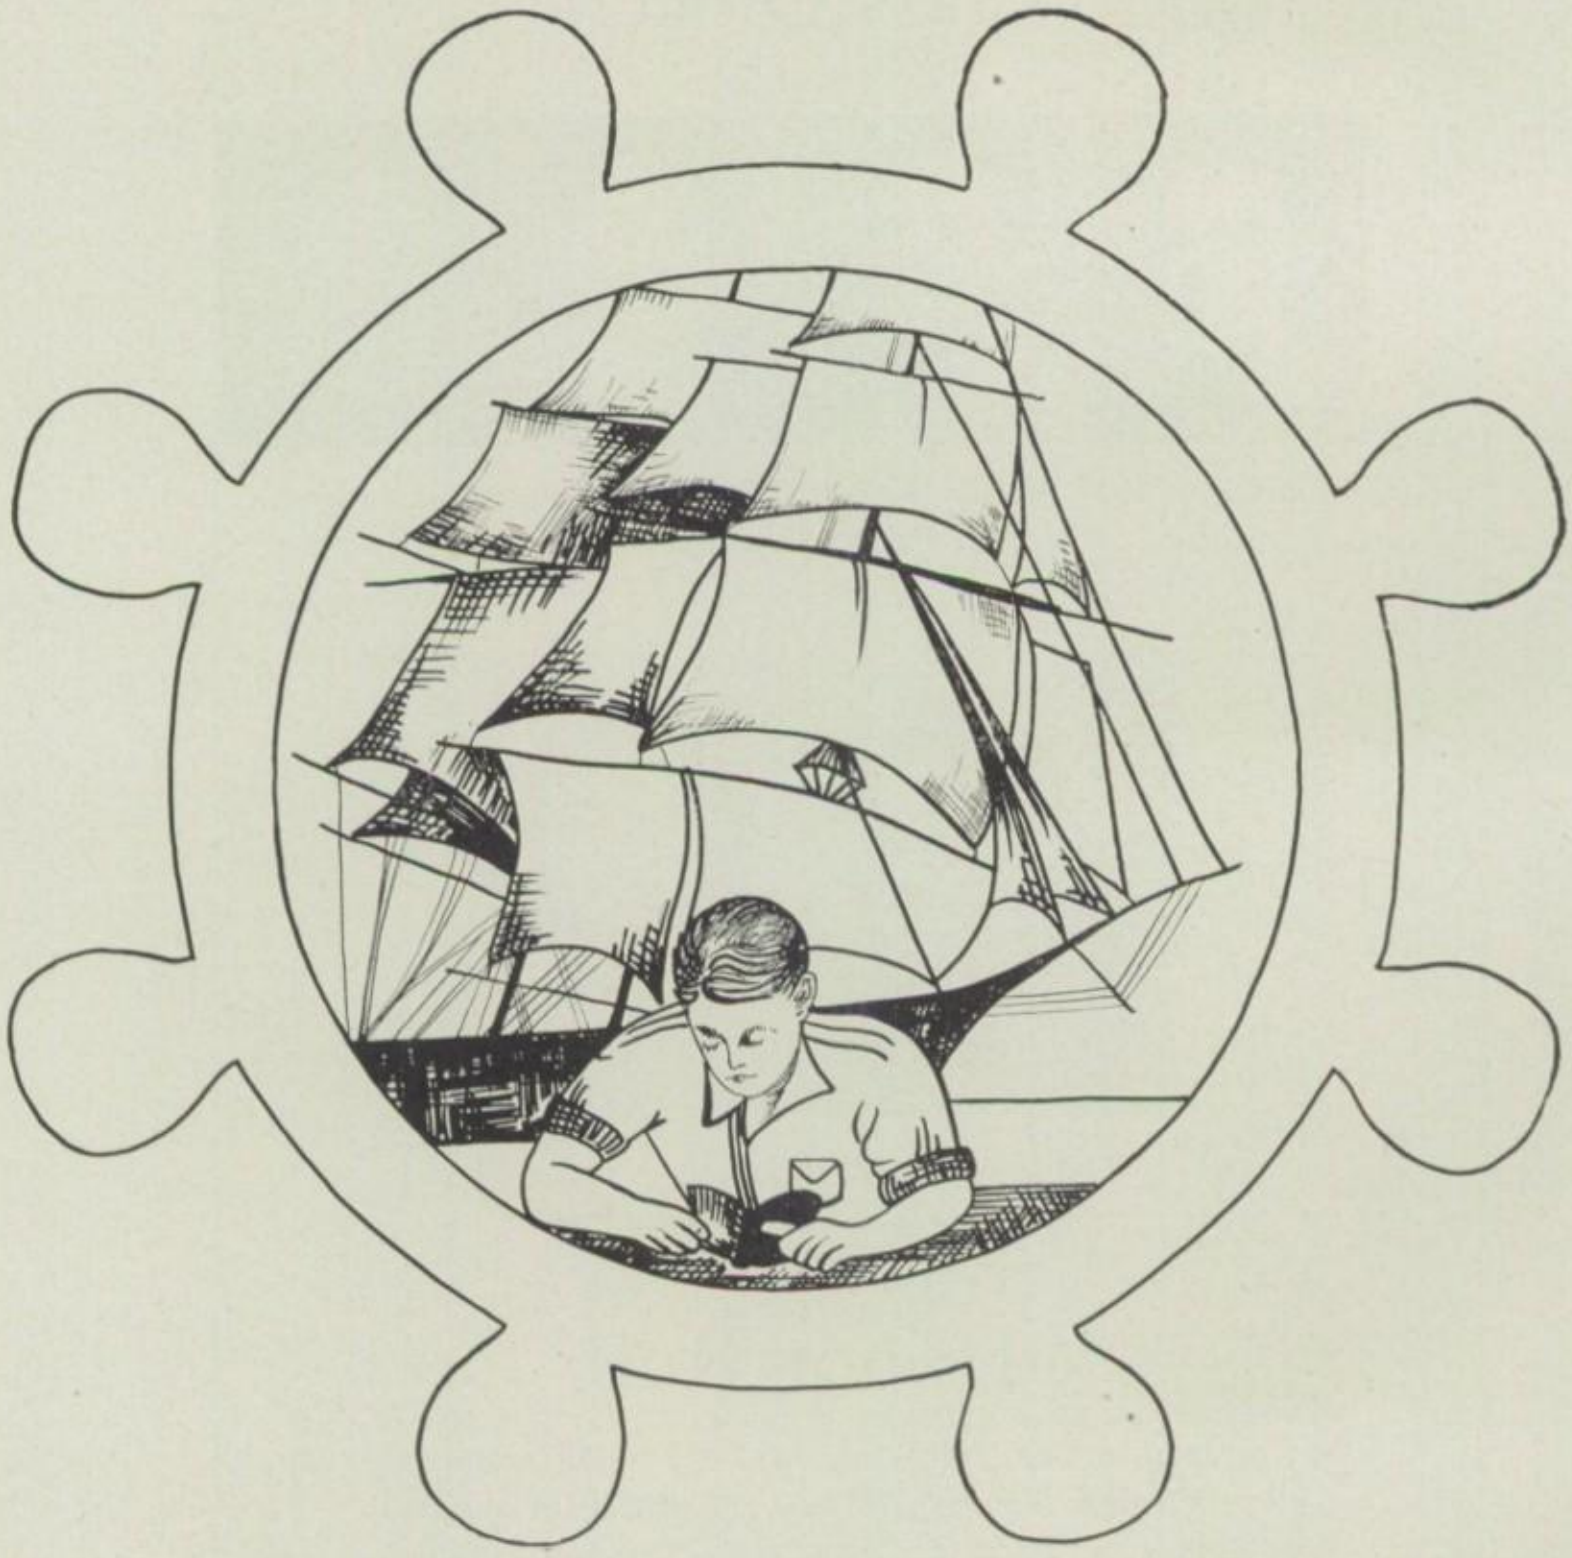
The Classes



Little do the third class seamen realize that their journey through the rough waters will graduate them as Petty Officers. Even though they may stumble on to rocky reefs, in the end they will sail into the sea of success.

Class History

"You can always tell a freshman by his vacant stare,
You can always tell a sophomore by the silly things he'll wear,
You can always tell a junior by his silly strut and such,
You can always tell a senior, but you cannot tell him much!"

Looking back over the years we see that this poem is so true. Weren't we green frosh though? It took much to show us that we did like high school. We chose Don Wessel, president; Barbara Miner, vice president; Virginia Neitring, secretary; and Stuart Zysk, treasurer; our first class officers. We did get a good foothold in March though, by giving the St. Patrick's Dance. What if we did start out by going in the red! We enjoyed ourselves thoroughly.

As sophs we really did think ourselves quite something. We were the peppiest sophomore class that has ever wandered through these great halls. We again sponsored the St. Patrick's Dance, going deeper into debt. At the class meeting, Don Wessel was again elected to lead us. Elizabeth Marshall, was chosen vice president; Chuck Hamm, secretary; and Bob Sluka, treasurer. We broke a lot of fingernails and tore a lot of trousers in the scrap drive, but we did our part. Our greatest ambition was to be upper classmen.

At last we were juniors. Don Wessel won honor place once more. Len France became vice president; Virginia Neitring, secretary; and Mable Bolthouse, treasurer. Giving the Junior Play, and the Junior-Senior Prom was a great deal of work, but a lot of fun too. "Ever Since Eve," our successful dramatic endeavor, won us much acclaim. Our prom proved a big affair with a grand turn-out. Our class was a great help in organizing the new Sat. Nite Club.

Seniors! Can we believe it? Our class had dwindled down because so many of our boys had left for the armed forces. We miss them, but we're proud of them. Don Wessel took his fourth term as president; Bob Hood, vice president; Virginia Neitring, her third term as secretary; and Lael Pierson, treasurer. We made our last year a grand and glorious one — a good time was had by all on our skip day — our annual will go down in history — the juniors gave us a lovely prom — and the solemn graduation exercises drew our four hectic years to a close.

We, the class of June 7, 1945, (a date we thought would never come) regretfully leave Grand Haven High School. We leave behind us four of the most precious years of our lives, and we also leave happy, never-to-be-repeated, good times, and many friends. But we take with us knowledge and character that will help us to make our place in the world, and best of all we take fond memories which we will cherish always.

Class History

We, the graduation class of 1946, have 133 members. At our first meeting we elected the following officers: Johnny Van Stratt, president; Ed Foshiem, vice president; Dick Woods, secretary; and La Verne Boeve, treasurer. Our sponsors were Miss Schutt, Miss Bell, Mr. Thoma, Mrs. McCall, and later Miss Vogel, who took Mrs. McCall's place. We were represented on the student council by Jack Hoffman, "Pep" Gignac, Bob De Weese, Margaret Zoerner, Ed Katt, and Johnny Van Stratt.

The Juniors were tops athletically as well as scholastically. Twelve fellows received football letters, and four boys were on the basketball team.

Our scrap drive was a great success, everybody worked hard, and all the profits went to the Percy Jones Hospital.

The Junior Class wishes to extend its congratulations to this year's graduation class.

The Student Council

This year the entire student council was divided into four committees, and the work of the Council centered along these lines. The Assembly Committee planned an assembly a week. The Advisory Committee arranged for the short programs for freshman and sophomore home rooms and for junior and senior groups. The Defense Council took charge of semi-weekly stamp sales. The committee on Student Participation tried to have students take a more active part in all school affairs. On the whole the Council feels that the plan of concentrating effort along a few lines has been a good one.

The Saturday Night Club

Under the capable leadeship of Mr. Thoma, our Saturday Night Club has been a great success again this year. We managed not only to provide a place of inexpensive recreation for the high school students but also to buy several new pin ball games, a duck shooting game, a skee-ball game, and a new juke box. At times during the year we had crowds as large as 400 students at the "club."

This year our new plan for operating the club was under the guidance of permanent committeemen and advisory groups.

The Hi-Y Club is made up of a group of twenty-five to thirty-five responsible students in our high school who strive to carry out the Hi-Y purpose: "To create, maintain, and extend throughout the school and community high standards of Christian character."

The club sponsored the pep assembly before the Muskegon-Grand Haven football game. To earn money, we published football programs for all the home games and also sold tickets for the Shrine Circus.

The annual Christmas dance for the student body and alumni was sponsored by our group. In January, the Hi-Y members and their guests enjoyed an old-fashioned sleigh ride party.

The Band

The high school band of 1944-45 had a very busy year, starting out by playing at two home football games. Three concerts were given, in November, February, and May.

Twenty-five students participated in the District Solo and Ensemble Festival in Muskegon, and all band members attended the District Band and Orchestra Festival in Grand Rapids. In addition to giving three assemblies, the band played at several pep assemblies.

In cooperation with the Junior Chamber of Commerce, the band sponsored the Band Box Revue. Many of the band members played solos or in ensembles at various events, such as the Rotary Club, P. T. A., Kiwanis.

The band activities for the school year were completed by participation in the Memorial Day parade.

D. SLEEPER

The Players

DICK WOODS — Dick will be back next year; he was the best defensive end on the team. He will be one of the veterans around whom Coach Bosworth will build his team.

DON RESCORLA — A 200 lb. tackler, Don will hold down his end of the line next year.

JACK HOFFMAN — Jack will be another veteran line man next year. Jack, playing better than average ball, should go places.

ALF SANDAL — A good prospect for next year, Alf was on the injured list this year.

NICK DE WITT — A boy who will be in for plenty of consideration next year. Nick is fast and tough.

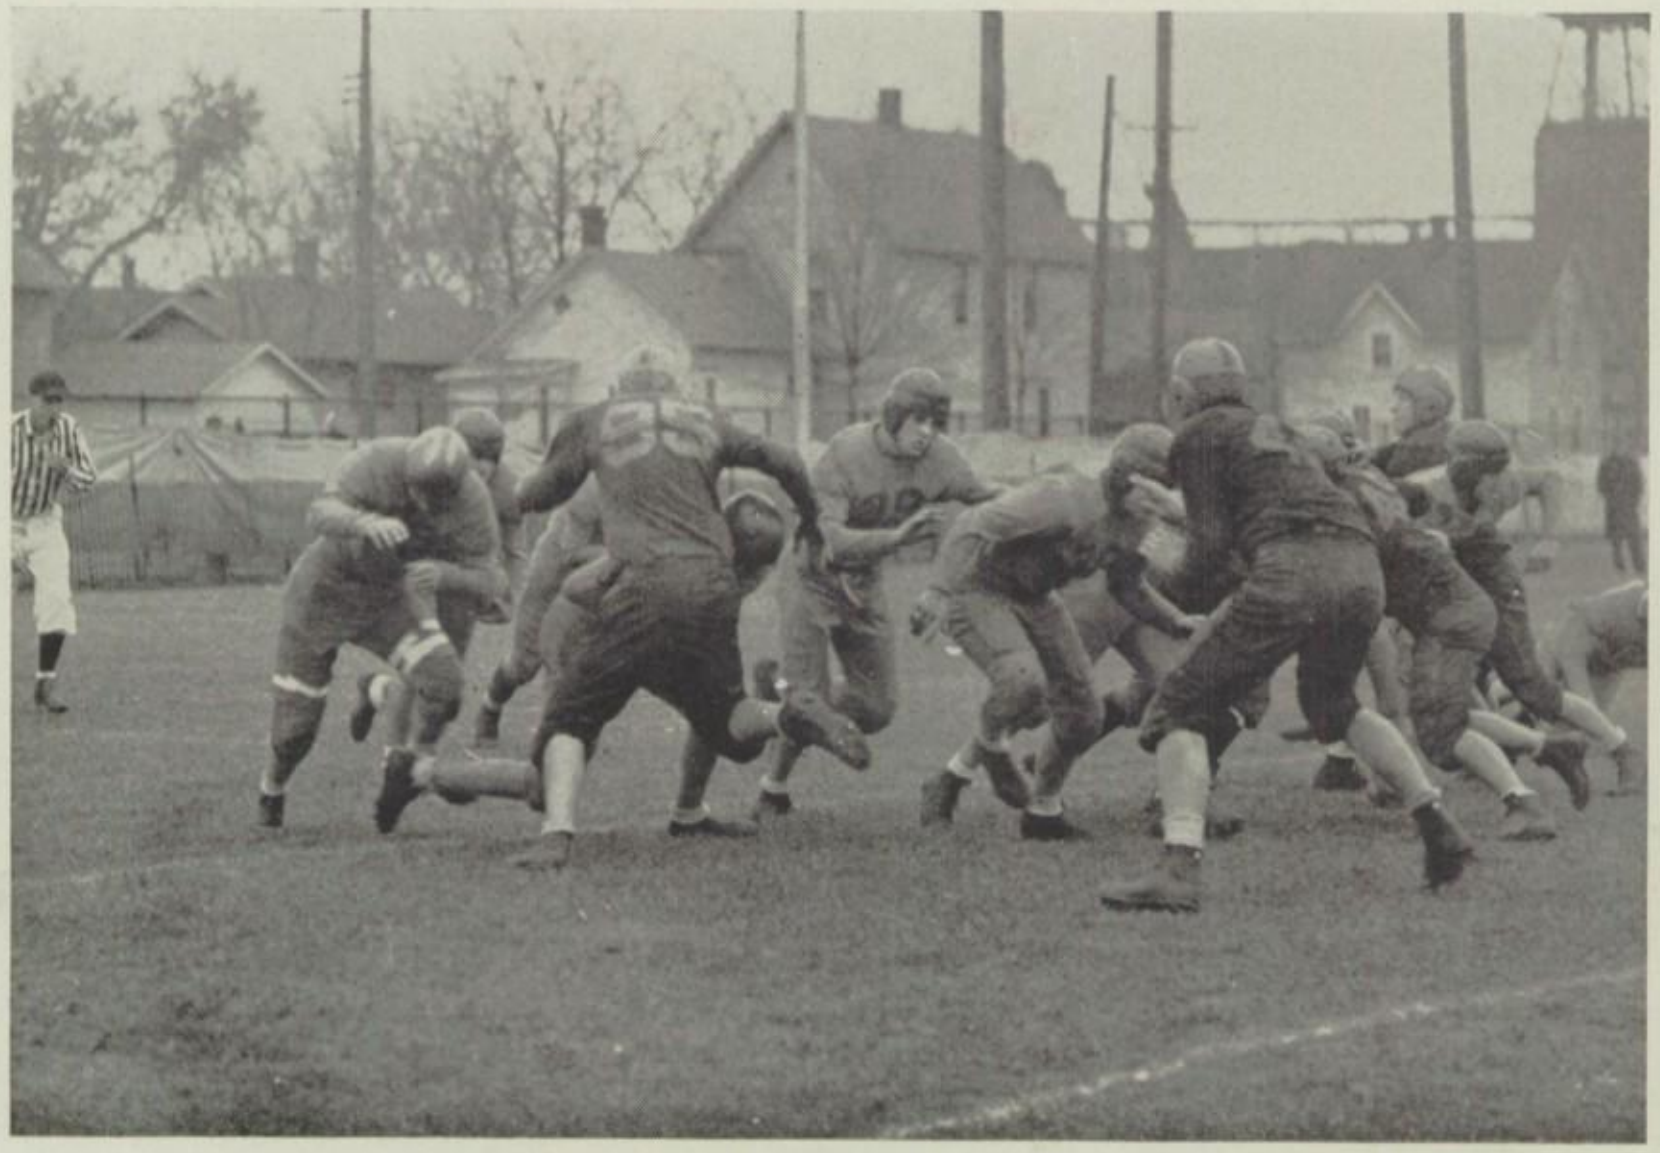
DARREL SLEEPER — Although he didn't play much, his fighting spirit was always in evidence.

DAVE CHITTENDEN — Although the smallest man on the team, Dave hit like a ten-ton truck; his finest game was at Muskegon Heights.

ALF VER BERKMOES — Coming up the hard way, Alf earned a varsity berth late in the season, filling in when Boeve was hurt.

JOE LA PENNA — Joe was in there fighting all season; he was plagued by injuries.

LLOYD BEEKMAN — A good blocker and our only place kicker, Lloyd will be back next year.



The 1944 Football Season

LUDINGTON 14 - 6—Starting with a green team the Buc's team overpowered the Orioles. VerMurlen, Boeve, and Hanson led the attack.

BENTON HARBOR 7 - 6—The Tigers won a hard fought game. The Bucs came from behind at the half to score a touchdown, only to have the place-kick hit the crossbar.

MUSKEGON 13 - 7—The Reds behind 7-6, pushed over a touchdown in the last 30 seconds of play. The Bucs scored on a flashy razzle dazzle play that had eight men handling the ball.

KALAMAZOO 14 - 0—Playing on a damp night on a strange field the Kazooks rolled up two touchdowns. The Bucs, out-scored, were not out-fought, for they gave valiant account of themselves.

MUSKEGON HEIGHTS 27 - 0—After scoring on a freak play in the first half, the strong Tigers pushed across 3 scores in the last half to win.

G. R. SOUTH 40 - 7—The only team this year to penetrate the impregnable South line, the Bucs had the score tied 7-7, but were finally overwhelmed by the powerful Trojans.

BIRMINGHAM 6 - 6—In a big intersectional battle the Bucs scored first, and at the half led 6-0. The Birminghamers came back strong to tie the score 6-6. The Bucs scored another touchdown in the fourth quarter, but it was called back for illegal blocking.

HOLLAND 6 - 0—Losing to their Ottawa County rivals in the last 19 seconds was a bitter pill. It was a bitterly contested game all the way on a bitter cold day. The Bucs were again plagued by bad luck; they scored a touchdown in the third quarter that was called back.

Who's Who in Basketball

CORNELL LAMAN: *Senior — Forward.*

Corky saw action in a good share of the games, and he showed up very well every time. Buc fans will miss his clean fast play in the coming season.

ARTHUR HANSON: *Junior — Center.*

Art was the work horse of the team, and his excellent rebound playing made him fit in well in the Buc's line-up. We certainly hope to see Art back next year, for his calmness and clean play will be a necessity to the Blue and Gold.

EUGENE MILLER: *Senior — Guard.*

"Butts" was the sparkplug of all the games. He is a rebound artist, and without his high jumping ability and good defensive playing, our team would have been lost.

CHARLES HAMM: *Senior — Forward.*

Chuck's accurate shooting and fast ball handling placed him on the Bucs. He looked especially good in the Greenville game, with his timely passing and basket making. Next year's team will miss Charlie's spark and zip.

BOB SLUKA: *Senior — Forward.*

Bob was one of the main scoring threats of the season. His tricky ball handling and good eye for baskets placed him on the all conference team. Next year's team will miss his high scoring ability.

BOB HOOD: *Senior — Guard.*

Bob, the captain of the squad, was one of the best defensive players in the line up. His consistent good playing under the basket helped much to make him the leader of the team.

CHARLES DE WITT: *Junior — Forward.*

Chuck did not have much of an opportunity to play this season, but, since he will have another year at high school, we are sure he will be a mainstay on the team next year.

LA VERNE BOEVE: *Junior — Forward.*

LaVerne is a scrapper whose spark has been a discerning factor in many games. His playing helped much in the winning over Fremont, and he also looked very good at Muskegon Heights. We hope to see him back for the 1945-'46 season.

JOHN VAN STRATT: *Junior — Forward.*

John deserves much credit for his clean consistent playing. His spark and hard work made him a high scorer on the Blue and Gold all season. We expect John back next year to lead the team to a good season.

The Basketball Season

The Buccaneer's court schedule got off to a flying start with four successive victories. Zeeland, St. Joseph, and Fremont fell quickly before our victorious basketeers, and then we began our trek in the tough Southwestern conference.

The "Bucs" made an impressive 29-19 victory over Muskegon for their first conference game, but then slowed down with six losses. The Blue and Gold players then whipped Muskegon Heights 45-41, only to be followed by another loss to Holland. The last conference game was played in the home gym with the conference winning Benton Harbor Tigers. The "Bucs" lost the game 43-38, but only after their almost faultless ball-playing forced the game into an overtime.

The Buccaneers entered and won the district tournanment by drubbing Fremont 33-29. Greenville was our next opponent in the first game of the regional tournament, and the Bucs won over them by a score of 36-26. The regional final game was with Allegan, and the Havenites captured the regional tournament title by outscoring the Allegan Jaguars 47-37. Grand Haven was eliminated in the state tournament quarter finals by Sturgis. The "Bucs" could not seem to find the basket, and the score ended at 39-26.

Grand Haven placed Forward Sluka on the all conference team, although the rest of the team also played the type of ball that usually wins those positions.

Boeve, De Witt, Hanson, and Van Stratt should return next year, and around these boys a team might be built that will capture honors in the 1945-46 season.

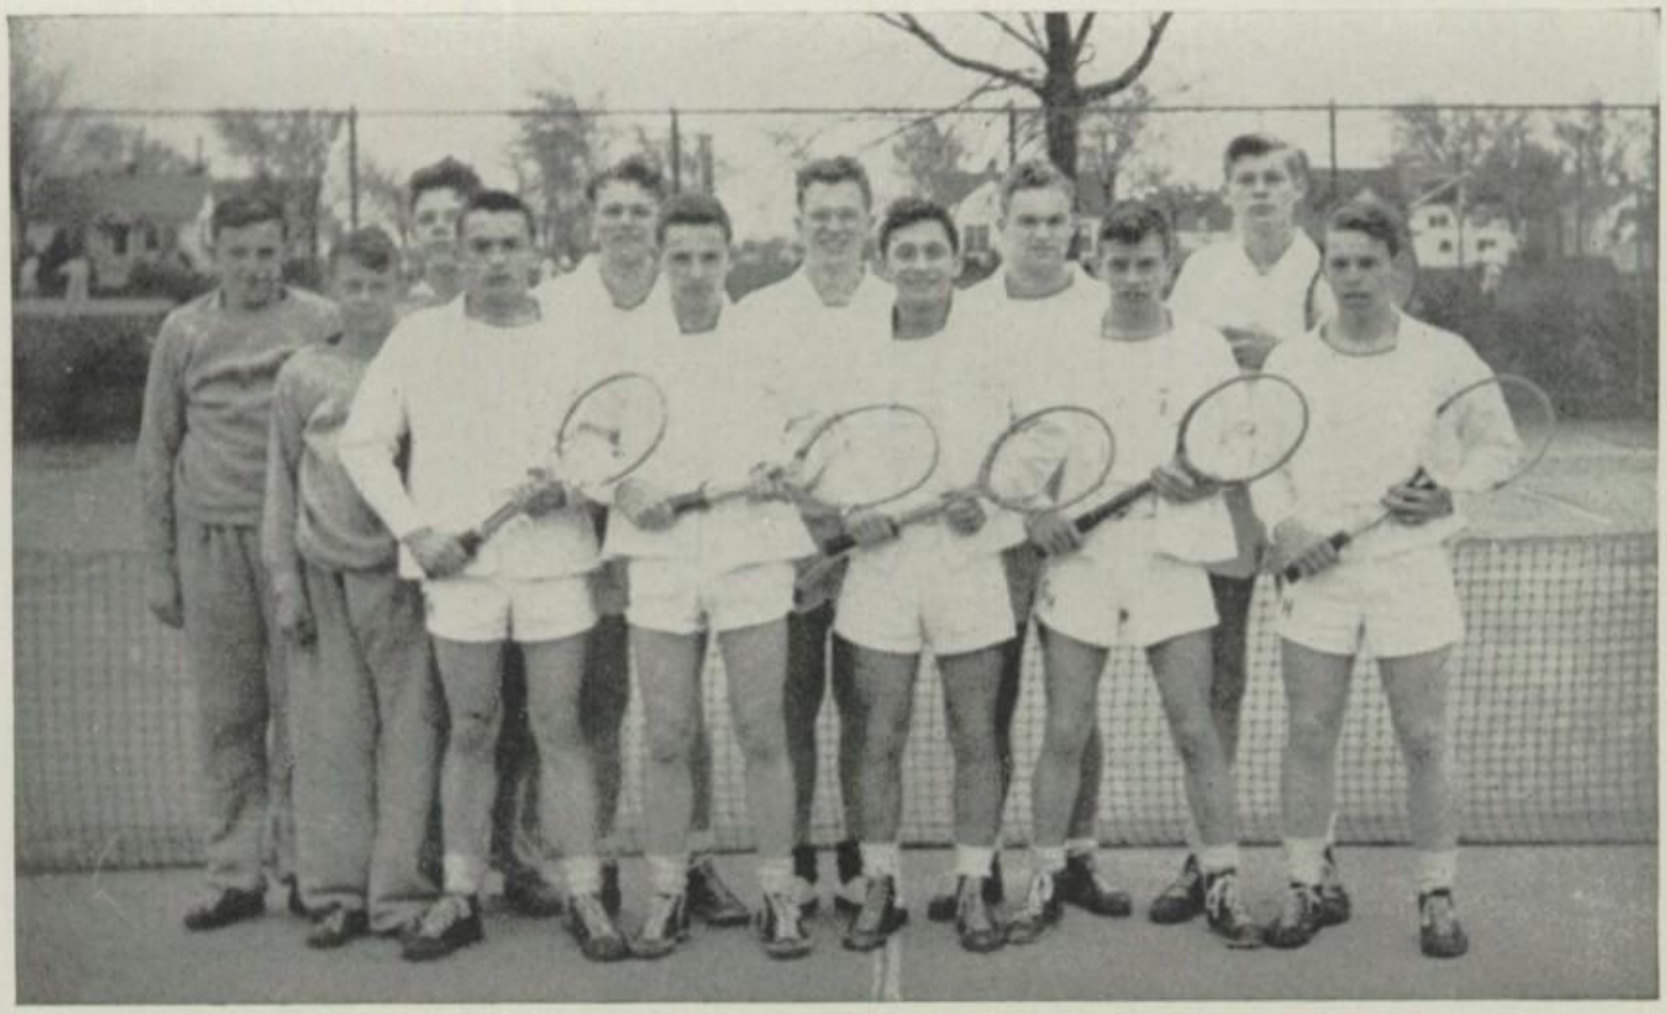
Front Row: Don De Witt, John Bottje, Mel Meyer, John Mahder, LaVerne Boeve, Louis Vollmer, Kenny Swiftney, Jim Ribbink, Jack Westerhof, Howie Groenevelt, Bob Lyon.
Back Row: Carl Westerhof, Manager; Bob Hood, Les Miller, Gordon Carrier, Roger Bolthouse, Lloyd Beekman, Jack Paterek, Jim Gannon, Butts Miller, Bob Fekete.

Baseball - 1945

With eight vets from last year's squad and many promising newcomers out, Coach Cohrs' 1945 team shows great promise.

Although hampered by cold and rain, they swept their first two games behind the southpaw slants of sophomore, John Mahder, who was backed up by Miller, first base; Ribbink, second base; Meyer, shortstop; Hood, third base; Bottje, left field; De Witt, right field, and Fekete in center field. Mahder's battery mate is big LaVerne Boeve.

The first victory came on April 26th over Coopersville, by a 10-0 score, with Mahder pitching a two hit shoutout at Grand Haven. A week later Heights was defeated 3-2 on the same diamond. There are six additional games on the Buc schedule: two with Holland, the 9th and 15th of May; two with Muskegon, one on May 22nd; and one with Muskegon Heights, on May 18th; and one with Coopersville on the 25th of May.



Back Row: Stanley Stolarz, Bob Conkling, Bud Ver Helst, Don De Young, Art Hanson, Ed Fosheim.

Front Row: Felix Pytlinske, Chuck Hamm, Ed Nixon, Bob Sluka, Byron Chapman, Jack Hoffman.

Tennis

The Buc's tennis squad began the 1945 season with twelve men, five of whom are returning from action in past years. The returning veterans are Bob Sluka, Chuck Hamm, Art Hanson, Byron Chapman, and Bud Ver Helst. The remaining players are "rookies," who will probably do much toward winning victories in future seasons.

There will be three tournament games, and Bob Sluka, who now holds the honor of being Conference Singles Champ, will make a high bid in these.

During the last two years there has been no state meet, but this year there will be one, and it should be a tough one. Grand Haven will enter three doubles teams and three singles. With these, we plan to make the 1945 season one to be remembered.

The 1945 schedule is as follows:

May 10	Muskegon
May 15	Holland
May 19	Conference Tournanment
May 26	State Regional
June 2	State Meet
